

INTER CLUB 1METRE - ROUND 3 - AYLESBURY

On Sunday 22nd August 2010, nine skippers being three from Oxford, two from Watermead and four from Two Islands, took part in Round 3 of the Inter Club 1-metre competition. What a change in the weather from the previous Sunday (the Fiesta Owners Championship). A light breeze and warm sunshine greeted us at lakeside. The wind direction made course setting difficult. However, by sailing off the jetty we managed to keep in the breeze albeit with very little tacking as both ends of the course were beats.

We managed to complete twelve races in the session with two discards and, personally I had an excellent series. What a change from last week! Oxford skippers took first, fifth and seventh places.

The full race result is attached.

RACE RESULT FOR		INTER CLUB ROUNDS										DATE 22.8.10										OOD WATERMEAD
